EDUCATION

HOLY ANGEL UNIVERSITY Angeles City, Pampanga
Bachelor of Science in Computer Science April 2027
Thesis - *AniMedika*: Rice Leaf Disease Classification Using EfficientNet-Based CNN
Academic Honors: Dean's Lister (1st Year); President's Lister (2nd and 3rd Years).

HOLY FAMILY ACADEMY Angeles City, Pampanga
Graduated with Highest Honors May 5, 2023

PROJECT EXPERIENCE

AniMedika | *Undergraduate Thesis*
UI/UX, AI/ML

- Developed an EfficientNetB0-based CNN model for multiclass rice leaf disease classification; also contributed to thesis documentation.
- Collaborated on a browser-based disease identification system that presents disease information and bilingual guidance.

Sipori | *Full Stack Web application*
UI/UX, Frontend, Backend, Database

- Built a private matcha and hojicha café journal for recording drink reviews, ratings, prices, photos, and tasting notes.
- Implemented searchable café/drink records, filtering, CRUD operations, owner authentication, and a monthly photo scrapbook.
- Used React, Vite, Node.js/Express, PostgreSQL (Supabase), and Render; added browser-only demo mode for portfolio visitors

eLingkod | *Barangay Services Mobile Application*
UI/UX, AI/ML, Backend

- Developed resident registration and digital identity verification features for a barangay services application.
- Implemented camera-based ID scanning, OCR, image-quality checks, and identification-number validation.
- Integrated mobile workflows with backend verification services for resident data processing.

Bake & Co. | *Bakery Mobile Application*
UI/UX, Backend

- Collaborated on a Flutter-based bakery application with an organized, user-friendly interface.
- Developed mobile UI components, product displays, and custom visual elements.
- Applied reusable Flutter widgets to maintain consistent design and functionality.

Truth in Tales| *Creative Writing Website*
UI/UX

- Collaborated with a six-member team to develop a responsive creative writing website.
- Designed intuitive layouts, typography, and navigation for a reader-friendly experience.
- Applied responsive design principles to improve readability across devices.

Floralia | *Web Project*
UI/UX, Frontend, Backend

- Designed and developed a responsive floral workshop website with membership and class information.
- Created a cohesive visual identity through custom layouts, typography, and floral-inspired elements.
- Authored a blog article titled “Burnout Is the New Broken Wing: Why We're Still Expected to Fly“, contributing to the website's editorial content.

LEADERSHIP & ACTIVITIES

UNIVERSITY STUDENT COUNCIL (HAU-SC) Holy Angel University
Associate Solicitor General for the School of Computing 2024 - 2025

- Represented student concerns and grievances, supported their resolution, and contributed to student governance and organizational initiatives.

I.V.Y League Member 2023 - 2024

- Participated in student council activities and university initiatives.

LEAGUE OF OUTSTANDING PROGRAMMERS (LOOP) Holy Angel University, SOC
Director for Community Development 2024 - 2025

- Supported community development initiatives, student engagement, and academic activities within the School of Computing.

Member 2023 - 2024

- Participated in programming-related activities and academic initiatives.

GOOGLE DEVELOPER GROUPS (GDG) Holy Angel University, SOC
Internal Relations Staff 2025 - 2026

- Assisted with internal coordination, organizational communication, and member engagement.

CODE GEEKS (CG) Holy Angel University, SOC
Events Staff 2025 - 2026

- Supported event planning, coordination, and student organization initiatives.

CYBERSECURITY INTELLIGENCE AND ALLIANCE (CSIA) Holy Angel University, SOC
Member 2023 - 2024

- Participated in activities focused on cybersecurity awareness and learning.

AWARDS & HONORS

2nd Place — Base Build IRL Workshop Hackathon 2026

- Secured second place in a collaborative hackathon, demonstrating technical problem-solving, innovation, and teamwork.

Most Outstanding Solicitor General 2025

- Recognized for outstanding service, dedication, and contributions to student representation and grievance-related initiatives within the University Student Council.

Outstanding I.V.Y League Member 2024

- Recognized for active participation, commitment, and contributions to student council activities and organizational initiatives.

SKILLS & INTERESTS

Technical:

- **Programming Languages:** Python, Java, JavaScript, Dart
- **Design Tools:** Figma, Canva
- **Web & Mobile Development:** HTML, CSS, React, Flutter
- **Databases & Backend:** PostgreSQL, Supabase
- **Development Tools & Version Control:** Git, GitHub, Visual Studio Code

Soft Skills: Leadership, Collaboration, Communication, Problem-Solving, Critical Thinking, Adaptability, Attention to Detail

Languages: Filipino (Native), English (Fluent)

Interests: UI/UX Design, Software Development, Backend Development, Artificial Intelligence & Machine Learning, Creative Design

CERTIFICATIONS

UI/UX & Graphic Design

- **Work with Components in Figma** — Coursera | September 2024

Web Development & Programming

- **Legacy Responsive Web Design V8** — freeCodeCamp | September 2024
- **JavaScript Essentials 1** — Cisco | October 2024
- **Relational Database V8** — freeCodeCamp | February 2025

Artificial Intelligence & Data Analysis

- **Artificial Intelligence Fundamentals** — IBM | March 2026
- **AI Fundamentals with IBM SkillsBuild** — Cisco | March 2026
- **Data Analytics Essentials** — Cisco | March 2026

Cloud Computing & Cybersecurity

- **AWS Academy Graduate – Cloud Foundations – Training Badge** — Amazon Web Services (AWS) | March 2026
- **Endpoint Security** — Cisco | August 2025

IT Fundamentals

- **CompTIA IT Fundamentals+ (ITF+) Certification** — CompTIA | November 2023

SEMINARS & PROFESSIONAL DEVELOPMENT

- **1st Regional AI Conference** — Holy Angel University | September 2024
- **3rd Regional Cybersecurity Conference** — Holy Angel University | February 2025
- **1st Regional Blockchain Conference** — Holy Angel University | July 2024
